

ALPHA KAPPA PSI ALUMNI NEWSLETTER

Volume 1 Issue 1

September 1, 2008

Gamma Eta Alumni,

As we approach another semester, the Gamma Eta Chapter wanted to take the time and send a newsletter about what has been happening in the past year and to make you aware of the events we have planned for this upcoming year.

We all have been working very diligently to better the chapter as a whole, and this hard work has paid off in many ways. Some of our accomplishments are: Donald S. Parks Outstanding Student Organization, Outstanding Philanthropic Event (for our Mississippi trip where we had 29 members travel to Pass Christian, Mississippi to help rebuild homes that were destroyed in Hurricane Katrina), Runner Up for Outstanding Program on Campus (for Last Rocket Standing which had eight students comedians, two professional comedians, and attendance of over 600 people), and we received \$36,850 in COBA Scholarships.

We have a lot planned for this year as well. We hope to gain a corporate sponsor and have our first annual charity golf outing. We have planned another trip down to Pass Christian, Mississippi, and we plan to volunteer for Extreme Makeover: Home Edition when they arrive in Toledo. These are just some of the exciting events that we have planned this year!

We would love to see you at these events. If you would like to attend any of these events or help with anything that we have planned this year (i.e. corporate sponsorships), feel free to send me an email.
